ABOUT US:-

The company has been established in the year of 2002 as REVELATION SOIL TESTING LAB. We initiated the business being actively involved in Geological Project which specializes on field and laboratory testing.

In the midst of 2003, we expanded our scope of services in various field of our expertise in:

- Soil Investigation,
- Field Investigation
- Concrete Testing,
- Raw Material Testing.

RST had conducted numerous investigations and survey for several reputable companies in this period of time such as ERINCO SDN BHD, MRCB, UEM BERHAD, BRIDGEX SDN BHD, KAJIMA CORPORATION, SHIMIZU CORPORATION etc.
